Virtual Assistant — Administrative Support

Helping professionals and small teams manage administrative tasks efficiently, freeing up time to focus on growth and core priorities.

ABOUT ME

I am a detail-oriented Virtual Assistant providing remote administrative and operational support to busy professionals. Experienced in managing emails, calendars, documents, online scheduling across multiple time zones, research, and proofreading.

Proficient in modern digital tools to ensure tasks are completed accurately and efficiently, with clear communication and prompt follow-up.

SKILLS AND SERVICES

Email & Calendar Management

- Internet research on various topics.
- Compiling findings into structured reports.
- Supporting decision-making with accurate data.

Online Meeting Coordination

- Scheduling across different time zones.
- Sending invites and managing confirmations.
- Coordinating follow-ups and meeting notes.

SKILLS AND SERVICES

Research & Reporting

- Inbox organization and filtering.
- Scheduling and rescheduling appointments.
- Meeting reminders and follow-ups.

Document & File Management

- Preparing and formatting documents professionally.
- Organizing and maintaining digital files.
- Version control and cloud storage management.

SKILLS AND SERVICES

Proofreading & Editing

- Reviewing documents for clarity and accuracy.
- Correcting grammar, punctuation, and formatting.
- Ensuring professional presentation of materials.
